

Math Quest (74 pts) on Limits and Continuity

- **Part 1** – 6 Problems using Scientific Calculator – solving algebraically
- **Part 2** – 12 problems using graphing calculator – solve graphically and other problems

Know

- End Behavior
- May include some of what was on last quiz:
 - Rational expressions
 - Limits
 - Recursion

Remember that(to help you):

- “Graphs hug asymptotes”
- “Discontinuities determine domain”
